- Completed coursework; awaiting graduation.

Nelson Mandela University – Gqeberha

Higher Certificate in Information Technology (Support Services)

2022 – 2023

Hlabi High School

National Senior Certificate (Grade 12)

2016 – 2020

Technical Skills

- **Programming & Frameworks:** C#, ASP.NET Core MVC, Entity Framework, Python (Basics)
- **Web Development:** HTML, CSS
- **Databases:** SQL (queries, basic database design)
- **Tools & Productivity:** Microsoft Office

Soft Skills

- Supportive team player – often help classmates understand concepts and solve problems
- Proactive and self-driven – aim to complete tasks early rather than waiting for deadlines
- Strong communication skills
- Fast learner and adaptable
- Dedicated and hardworking
- Good time management and organisation

Projects

Ward Management System (3rd Year Project)

Developed a web-based ward management system using ASP.NET Core MVC, Entity Framework, and SQL Server.

- Implemented modules for patient management, vitals, visits, and medication administration.
- Built responsive pages using HTML, CSS, JavaScript, and Bootstrap.

Medical Practice Management Application(2nd Year Project)

- Created a system to manage patients, visits, and doctor dashboards using ASP.NET Core MVC and React.
- Implemented CRUD operations, search functionality, and role-based access for different user types.
